

## ARRIVO BERLIN – ÜBUNGSWERKSTÄTTEN (Workshops) Hands-on experience: job training for female refugees

**Experience Berlin’s work environment – learn a trade – find vocational training and work**

Do you live in Berlin and want to work or start vocational training? Are you are interested in the crafts sector? Already had a job in your home country and you would like to continue in that field? Or you don't have any work experience yet but you're interested to try something new?

Then you are perfect for our project! At **ARRIVO Berlin Übungswerkstätten** you will get to know the Berlin job market, what training you will need to be ready to start working, and the variety of job opportunities that are available for women.

Our offer...	Participation requirements...
<ul style="list-style-type: none"> <li>• 04.09.-13.10. Monday - Friday, 9-16 Uhr 04.09.-08.09. Garden and Floristry course 11.09.-22.09. Woodwork course 25.09.-29.09. Garden and Floristry course II 02.10.-13.10. Excursions to berlin-based companies &amp; Hands-on training</li> <li>• <u>Integrated German course throughout the course!</u></li> </ul>	<ul style="list-style-type: none"> <li>• Language skills (Minimum A2/ Elementary German)</li> <li>• All legal statuses welcome (Except for those with an employment restriction „Beschäftigungsverbot“)</li> <li>❖ Free course exclusively for women</li> <li>❖ Child care available</li> </ul>

Following the six week course you will have the possibility to take part in other courses offered by **ARRIVO Übungswerkstätten**. We will prepare you for an internship or vocational training in the crafts sector.

We help you to structure your professional future in an active and individual way.

Potential craft sectors are metal and plastic work, baker and confectioner, painter, plant and motor mechanic, hair dresser, electrical engineer, roofer, glazer, building cleaner, carpenter, florist, or landscaper/ gardener.
